Can I still vote if I'm unhoused?

YES! Wherever you have slept or eaten the most in the last five weeks is your voting address.

This could be a shelter, drop-in, food bank, or community health centre closest to where you currently sleep or are encamped.

If staff are unsure, have them scan the QR code to the right for assistance with voting.

Do I need ID to vote?

If you don't have ID showing both your name and address, a staff person of the shelter, drop-in, food bank, or community health centre that you use most often can help!

If you request it, they can provide you with a Certificate of Identity and Residence form, which you can use to vote instead of ID.
